# FANTASY CAMPS FOR KIDS

---

At the Fantasy Camps for Kids Foundation, you don't have to lead the league in scoring to make a major-league impact. That's because our camps pair special-needs children with the big-league players they look up to for a day of coaching, games and success.

The magic of America's national pastime has a way of transforming everyday people into larger-than-life heroes. That's why Jeremy Flug founded Baseball Fantasy Camps for Kids in 2008. Having attended a Colorado Rockies Fantasy Camp for adults several years before, Flug decided to provide the same opportunity for young baseball fans with special needs. With the cooperation of Major League Baseball and several participating teams, the camps have since provided a positive impact to more than 2,000 kids and their families.

Today's baseball camps offer an array of baseball activities to special needs youth ranging from six to 17 years old. Through personal instruction with the pros, campers will gain the confidence they need to step up to the plate, take a crack at the ball, and knock it out of the park.

Our camps take place at local playing fields that are accessible for children with special needs. When campers arrive for their special day, we instantly make each one feel a part of the team by providing them with their own, personalized team jersey.

When the training is finished, it's time for a post-game celebration complete with catered lunch, pictures and autographs from their favorite big leaguers.

More than 10 years after holding our first baseball fantasy camp, the Fantasy Camps for Kids Foundation is growing our program to include NFL and NBA teams. So whether kids prefer the diamond, the gridiron or the hardwood court, our fantasy camps will present more of them than ever with a chance to realize their big-league dreams.

## HUT! HUT! HIKE!

If baseball is America's pastime, football is America's obsession. Through our new Football Fantasy Camps for Kids, we're helping physically challenged youth put on pads and make their gridiron dreams a reality.

## HELPING HOOP DREAMS COME TRUE.

For kids who dream of dribbling alongside the pros, it's time to lace up those high-tops and step onto the court. Our Basketball Fantasy Camps for Kids offers campers the chance to play alongside the heroes of their hometown NBA teams.

# GET IN THE GAME.

The Fantasy Camps for Kids Foundation makes getting off the sidelines and onto the playing field as easy as 1-2-3. Interested teams should follow these three steps to get in on the action.

## 1) Pick the Day

And the special-challenges-accessible field.

## 2) Choose the Kids

Most teams select kids from their existing community partners. Teams that we currently work with already partner with local organizations, like the Miracle League.

## 3) Show Up

Bring your players, coaches and game faces to the camp — and get ready to spread joy to your participants.
